The eye-catching details of this craftsman include a banistered front porch, cobble stone with contrasting horizontal and board & batten siding. This floor plan is capable of one floor living with a primary suite featuring a double bowl vanity, linen, and walk-in closets. Both the laundry and powder room are very accessible but hidden. A bright kitchen has ample counter space, a large pantry and breakfast bar. A large dining area opens onto a 12 X 10 foot patio. Two more bedrooms are on the second floor sharing a hall bath with linen closet.
