Form and function merge beautifully in this Craftsman style house plan. The combination of colorful exterior building materials generate interest outside, and inside, finds a bright and easy flow from foyer to living, kitchen and dining areas. The kitchen opens onto a raised grilling patio. Upstairs the primary suite stretches across the front of the house and completely separated from two large rear bedrooms by a walk-in closet, hall laundry, and staircase. The two-car garage is entered from the rear alley. *This home is under construction with a completion estimate of mid-to late-May, 2024.
