The Patterson (lots 27/28)

Price:\$265,900 Home Type:Semi Bedrooms:3 Bathrooms:2.5 Garage:1-Car Garage

The Patterson design offers a vast array of amenities. The columned front porch and stone accenting dress up the exterior of this semidetached home; well-planned living spaces highlight the interior. The bright living room opens to the dining area which continues onto the rear deck. The sunny step-saver kitchen offers plenty of space for two people to share in the food prep while visiting with friends around the large breakfast bar. The laundry and powder room find privacy behind the kitchen. On the second floor, the master bedroom features a boxbay window, a private bath with dual sinks, a five-foot shower and a huge walk-in closet. One of the two additional bedrooms sports a walk-in closet and both share a hall bath. Adding to all this is a full basement.
