The elevated wrap-around front porch and gabled roofs set off this craftsman style beauty. Entering the front door welcomes you to an open foyer and bright living room. The adjacent kitchen offers a pantry and island with a raised breakfast bar. A 12 X 10 raised deck is accessed from the dining area. Hidden beyond the doorway into the two car garage and coat closet is a windowed powder room with linen closet. Upstairs you will find a large primary suite with a double bowled vanity and linen and walk-in closets. To the rear are two more bedrooms, a full bath and a hall linen closet. The lower level awaits a future exercise area and family room. Check out the 1,500 square foot furnished floor plan.
