## **APPENDIX** to Limited Warranty – Wabash Landing – Klassen Construction

### **LAWN CARE**

The home owner is responsible for the care and growth of the new lawn. Lawn is not a Warranted item. Early preparation will go a long way to ensuring success in establishing a lawn that increases the beauty of the home and provides for outdoor enjoyment!

Here are some things to place on the To-Do-List immediately upon closing.

1. Proper Watering and Mowing.

More new lawns fail due to improper follow-up care within the first 4 to 8 weeks than any other time. Information source: Care of newly-established turf at [plantscience.psu.edu](http://plantscience.psu.edu).

2. Proper Fertilization and Weed Control.

Certain products should not be applied to new lawn. Read the directions and understand the proper use of the product such as, crabgrass and weed control before you purchase for use on your lawn.

3. Soil Testing.

Every property's soil is uniquely different so it is helpful to know what nutrients (pH, phosphorus, potassium) should be applied to your lawn. Testing sample kits can be picked up at 1383 Arcadia Road, Lancaster, Pa 17601. Phone: 717-394-6851.  
Information source: [extension.psu.edu/lancaster](http://extension.psu.edu/lancaster).

It is recommended that the home owner work with a professional lawn care service to help establish the lawn. [www.lawncareofpa.org](http://www.lawncareofpa.org). Weather conditions and the time of year the grass seed is applied will determine the timing for normal types of care.

### **Mold, Fungi and Indoor Air Quality**

Indoor mold contamination and the inhalation of bioaerosols (bacteria, mold spores, pollen and viruses) have been associated with allergic responses. Mold is not a warranted item. Information about indoor air quality issues is available at: 1) Pennsylvania Department of Health, Phone 1-877-724-3258; 2) Centers for Disease Control and Prevention (CDC), Web site (<https://www.cdc.gov/mold/>) provides information about mold and health and links to mold-related resources.
